CHILDREN AND FAMILIES --
CHILD SUPPORT,
ECONOMIC SUPPORT AND CHILD CARE

[LFB Papers #212 and #202]

Motion:

Move to adopt the following provisions regarding the child support program and the economic support and child care programs under the bill:

Rev 1. *Funding for Local Child Support Enforcement Activities.* Adopt Alternative 2 in LFB Paper #212, which provides an additional \$4,250,000 GPR and \$8,250,000 FED annually for local child support enforcement activities. Funding would total \$37.7 million (\$8.5 million GPR, \$16.5 million in federal matching funds, and \$12.7 million in federal incentive payments).

nothing to do 2. *Child Care Quality Rating and Improvement System.* Adopt Alternatives A1 and B1 under LFB Paper #202, which approves the Governor's proposal to modify the tiered reimbursement system under YoungStar to provide four-star providers up to a 10% increase from the base reimbursement rate, beginning January 1, 2014, and reduces funding for the contract with the Consortium based on actual expenditures from January, 2011, through May, 2012.

new allocation 3. *Wisconsin Community Services.* Provide a grant of \$400,000 FED annually in TANF funds for the Wisconsin Community Services' community building workshop facilitator training to provide services targeted at TANF-eligible individuals in the City of Milwaukee.

(w)

Note:

[Change to Bill: \$8,500,000 GPR and \$17,300,000 FED]

Economic Support and Child Care

Yur 1. *Revised Estimates for TANF-Related Programs.* Adopt the modification in LFB Paper #195 to reflect reestimates for 2013-15, including: (a) reduced funding for child care state administration and licensing (-\$521,600 FED in 2013-14 and -\$506,200 FED in 2014-15); (b) reduced funding for the kinship care program (-\$487,100 FED annually); and (c) reduced funding for state administration of public assistance programs (-\$78,500 FED annually). The reestimates also include additional revenues from carryover funds (\$3,005,500 FED in 2013-14 and \$5,327,800 FED in 2014-15), the TANF block grant (\$244,900 FED annually), and the child care development block grant (\$990,200 FED in 2013-14 and \$432,600 FED in 2014-15).

alloc *Wisc* *W-2* *Benefits.* Adopt Alternative A2 in LFB Paper #196, which provides an additional \$9,882,500 FED in 2013-14 and \$8,402,000 FED in 2014-15 for W-2 benefits. W-2 benefits funding would total \$82,014,000 in 2013-14 and \$72,696,000 in 2014-15. In addition, adopt Alternative B1, which adopts the Governor's proposal to have DCF, or an entity contracting with DCF, make W-2 benefits payments for W-2 participants in subsidized employment positions, caretaker of newborn infant grants, and at-risk pregnant women grants. Finally, it should be noted that DCF would be required to submit a plan to the Joint Committee on Finance under a 14-day passive review process before implementing an electronic benefit transfer system for W-2 benefits, as described in paragraph #7 below.

change date 3. *Trial Employment Match Program (TEMP) Jobs.* Adopt Alternative 1 in LFB Paper #197, which approves the Governor's proposal to replace the trial jobs employment position under the W-2 program with the TEMP jobs employment position. This alternative also modifies the date on which the TEMP jobs would begin to January 1, 2014.

change date 4. *Noncustodial Parents Under the W-2 Program.* Adopt Alternative 1 in LFB Paper #198, which approves the Governor's proposal to expand services to noncustodial parents under the W-2 program, beginning January 1, 2014.

allocation 5. *Transform Milwaukee Jobs Program.* Adopt Alternative 2 in LFB Paper #199, which adopts the Governor's proposal to establish the transform Milwaukee jobs program for low-income adults in Milwaukee County, but reduces funding for the Wisconsin Shares program by \$337,800 FED in 2013-14 and \$901,400 FED in 2014-15 to reflect that fewer participants would seek child care than anticipated under the bill.

allocation 6. *Child Care Provider Reimbursement Rates.* Adopt Alternatives A1 and B1 in LFB Paper #200, which approves the Governor's proposal to eliminate the requirement that a market rate survey be done and requires DCF to set child care payment rates without specifying an area in which to calculate the rates in order to give DCF flexibility in determining how the maximum payment rates are set. In addition, reduce funding by \$1,238,700 FED in 2013-14 and increase funding by \$2,478,900 FED in 2014-15 to reflect DCF's estimates of the costs to fund direct child care subsidies under the Department's plan to eliminate differences greater than 25% between its most recent rate survey rates and current county licensed group and family maximum payment rates

during 2013-14 and to eliminate differences greater than 20%, beginning in 2014-15.

me 7. *Electronic Benefit Transfer (EBT) System.* Modify the Governor's proposal to implement an EBT system for W-2 and Wisconsin Shares by placing \$300,000 FED in 2013-14 and \$2,000,000 FED in 2014-15 in the Committee's federal funds general program supplementation appropriation and by requiring DCF to submit a plan for implementation of an EBT system for W-2 benefits and for Wisconsin Shares subsidies under a 14-day passive review process before DCF could access these funds for that purpose. Require the plan to include specifics on the vendor selected, total start-up and ongoing costs, and how issues of fraud and program integrity will be addressed. In addition, modify section 938 of the bill to change "reimbursement" to "payment."

4 8. *Child Care Quality Rating and Improvement System.* Adopt Alternatives A1 and B1 under LFB Paper #202, which approves the Governor's proposal to modify the tiered reimbursement system under YoungStar to provide four-star providers up to a 10% increase from the base reimbursement rate, beginning January 1, 2014, and reduces funding for the contract with the Consortium based on actual expenditures from January, 2011, through May, 2012.

Gordon 9. *Fingerprint-Based Background Searches of Child Care Providers.* Adopt Alternative 1 in LFB Paper #203, which approves the Governor's proposal to require fingerprint-based background searches of all child care providers, as well as their employees, nonclient residents, and other caregivers. The alternative would also modify the bill to authorize DCF to charge a fee for obtaining and submitting fingerprints for the fingerprint-based background searches. In addition, adopt Alternative 4, which makes name-based background checks for child care providers an annual requirement, rather than be required every three months.

10. *TANF Program Reduction Options.* Adopt Alternatives A3, B1, C1, and D1 in LFB Paper # 204, which provides base funding for the children first program (Alternative B1) and for child welfare prevention services (Alternative C1), modifies the Governor's proposal to increase funding for the Boys and Girls Clubs by reducing funding for the Wisconsin After 3:00 program by \$800,000 FED annually (Alternative A3), and adopts the Governor's recommended increase for emergency assistance (Alternative D1). In addition, provide one-time funding of \$215,000 FED in 2013-14 for the Green Bay Boys and Girls Clubs for the BE GREAT: Graduate program. Finally, provide one-time funding of \$25,000 FED in 2013-14 for the greater Wisconsin Rapids Area Boys and Girls Club to fund the Cranberry Science, Technology, Engineering, and Mathematics (STEM) program.

allocation 11. *TANF Funds for the Earned Income Tax Credit.* Reduce the level of TANF funding for the earned income tax credit (EITC) by \$8,164,200 FED annually. Total TANF funding for the EITC would be \$62,500,000 annually. In addition, increase GPR funding for the EITC by \$8,164,200 annually.

4 12. *Wisconsin Community Services.* Provide a grant of \$400,000 FED annually in TANF funds for the Wisconsin Community Services' community building workshop facilitator training to provide services targeted at TANF-eligible individuals in the City of Milwaukee.

Hi Pam--

I don't know if you've seen this motion yet. I need a new TANF allocations draft for the 49.175 allocations. There is another one-time grant to the Green Bay Boys and Girls Clubs for the BE GREAT: Graduate program. \$125,000 in 2013-14. The total allocation for the first year is now \$1,250,000 (no change for the 2nd year).

I'm actually at home today (my 5K'er just graduated), so I'll be in tomorrow if you have any questions about it. Thanks much!

Kim

Joint Finance, a plan and policies for awarding grants that ensure grant recipients are retaining and/or creating jobs. Require the Committee to approve the plan and policies, before releasing the funds to WEDC. Require grant contracts to include requirements that grant recipients provide the Corporation with documentation and other financial statements of grant expenditures, and with quarterly reports with information related to job creation and retention as determined by the Corporation. Require that contracts include penalties for noncompliance. Require WEDC to report to the Committee by January 1, 2015, on the amount of grants awarded and jobs created or retained as a result of the grant program.

22. *WEDC Procurement.* Modify a prior action of the Committee [Motion 154, item "g."] to delete the requirement that the Wisconsin Economic Development Corporation (WEDC) be subject to state agency procurement requirements. Instead, require the WEDC Board to adopt procurement policies and procedures that specify all of the following: (a) when the Corporation is required to publicly solicit proposals from multiple vendors of goods or services; (b) how WEDC is to evaluate proposals from multiple vendors; (c) how the Corporation is to assess any potential conflicts of interest a vendor may have if the vendor sells goods or services to WEDC.

Tax Policy, Children and Families, and Workforce Development

23. *Boys and Girls Clubs.* Provide \$125,000 in federal temporary assistance for needy families (TANF) funding in 2013-14 on a one-time basis for the Green Bay Boys and Girls Clubs for the BE GREAT: Graduate program. Require the program to spend the TANF monies on TANF-eligible activities, and require the program to provide \$125,000 in matching funds in order to receive the TANF funding.

24. *Payday Lenders and Licensed Lenders.* Specify that, with respect to an installment loan made by a payday lender or a licensed lender, provided the installment loan is not secured by a motor vehicle, default (under laws governing creditors' remedies under the Wisconsin Consumer Act) would mean to have outstanding an amount of one full payment or more which has remained unpaid for more than ten days after its scheduled or deferred due date. Specify that the outstanding amount would not include any delinquency or deferral charges and would be computed by applying each payment first to the installment most delinquent and then to subsequent installments in the order they come due.

25. *Federal Audit Reports Enforcement Activities.* Specify that the provisions that provide exceptions from reliance on past audits in current audit determinations be modified to specify that the exceptions apply to audit determinations, that the exception for not providing information applies specifically to information regarding the tax issue in the prior audit determination, and the exception for settling the issue through a written agreement apply specifically to a tax issue settled in the prior audit determination.

26. *Unemployment Insurance.* Provide \$89,100 GPR in 2013-14 to pay for the Department of Workforce Development's information technology upgrades and administrative costs associated with changes to unemployment insurance law under the bill.

27. *Video Service Disconnections.* Repeal the current law provision that prohibits
